## **WE WANT YOUR STUFF!**

### **Please Donate to UPC's Community Closet**

**(Room 28 in lower level by north entrance)**

**Please consider donating your household goods to UPC. Items in clean and usable condition are needed to contribute to the International Students' Household Item Giveaway as well as assisting homeless individuals being served by UPC's Client Services Project at the Downtown Clinic. The Closet will also allow UPC to respond immediately to local disasters, such as house fires. Anything not used by UPC will be donated to a local charity. Donation forms for tax purposes are available.**
